KAY<sup>®</sup> PROGRAM

**ECOLAB<sup>®</sup>**

# Machine Warewashing MAXIMIZES EFFICIENCY

---

A comprehensive, machine warewashing program that puts the focus on cost-effective and efficient ware cleaning.

---

**Reduce the amount of labor required to wash your wares.** Kay warewashing options provide fast and efficient cleaning for each and every item.

**Increase food safety by equipping your kitchen with Kay technology.** You can have peace of mind knowing your wares are sanitized thoroughly every cycle.

**Service is key.** The warewashing program is backed by our Kay territory representatives who help train employees, maximizing efficiency and allowing you to reallocate labor to focus on serving guests – maximizing guest satisfaction.

# Automation Delivers CONSISTENT, SUSTAINABLE RESULTS

REDUCE WATER USE UP TO **75%\***

Our Total Solids Convenience (TSC) and Undercounter Low Temperature (U-LT) Warewash program can provide cleaner ware, faster, and in a sustainable manner.

The KAY® QSR Machine Warewashing Program can help your operation **increase productivity, reallocate labor, lower water consumption** and **ensure food safety**.
