

Ecolab Recognizes Outstanding Housekeepers through Appreciation Contest

Recognizing Excellence in Housekeeping

Ecolab is thrilled to share the winners of our 2024 Housekeeper Appreciation campaign, designed to recognize the efforts of hard-working cleaning professionals and show appreciation to those who demonstrate exceptional work performance, professionalism, and a steadfast commitment to maintaining clean, healthy and inviting spaces that are ready for guests.

This year, Ecolab received over 600 nominations across the hospitality industry, and 50 outstanding housekeepers were selected as winners. Each winners received a prize valued at \$500 to show appreciation for their invaluable contributions to their teams and dedication to the success of hotels and guest satisfaction by upholding high standards of hygiene, safety and service—core values of Ecolab.

As stated by one of the nominators, “Behind every beautifully kept space is a dedicated housekeeper whose hard work and attention to detail create comfort and harmony. Let us celebrate their tireless efforts and the unsung artistry of housekeeping”

This campaign highlights Ecolab’s commitment to supporting the hospitality industry, including the housekeepers who play such an important role helping hotels succeed. We continuously work to innovative solutions to help make their work faster, easier and safer.
